Feedback for Mrs Murphy and Miss Prendergast, Hi-5 Club, Middlestown Primary Academy.

I'd like to feed back that Mrs Murphy and Miss Prendergast are fantastic leaders of Hi-5 Club.

Their enthusiasm shines through, and they come up with lots of interesting, educational and fun activities for the children. Mrs Murphy & Miss Prendergast are always coming up with new ideas for things to do, so there is no danger of the children becoming bored.

I am impressed with the freshly cooked meals that are healthy and great quality and which the children often have the chance to help prepare themselves.

They are both brilliant with the kids, striking the right balance between them having fun but keeping it structured enough so they're not just running riot.

I feel completely confident that [redacted] is being well looked after and is safe, so I don't have to worry about him while he is there, even when they are out on activities outside of school such as playing at the park or woods.

They both care for the children so well, in a caring environment, and what I like is that while it is in a school setting, it isn't just like my child has been left behind at school for a few hours to be looked after, the hi-5 club has a totally different vibe and he really looks forward to going and gets excited about upcoming activities.
