

Class Newsletter: Upper Foundation

Autumn One

Please remember:

	Monday	Tuesday	Wednesday	Thursday	Friday
Library					√
PE Kit					√

Topic: All about me

Possible Activities	How you can help at home
<ul style="list-style-type: none"> • We will be getting to know each other through lots of play and carpet activities and getting used to the Upper Foundation routines. • We will be reading and doing lots of activities relating to the following stories: Mr Tick the teacher Funnybones The Growing Story Titch Peace at last • We will be creating a class charter all about how we can have the best learning behaviours and treat each other with kindness • We will be learning how to get changed into our PE kits independently. PE sessions will be outside wherever possible. 	<p>Some things which would be helpful to keep practicing at home would be:</p> <ul style="list-style-type: none"> ➤ Writing their name ➤ Counting to 20 ➤ Sharing stories and talking about them ➤ Allowing the children to dress and undress them selves to prepare for PE ➤ Playing games to follow instructions
	<h4 style="margin: 0;">Reading & Phonics</h4>
	<p>We will be beginning to send home wordwalls, reading books and phonic activities. Please try to do these daily at home. I cannot emphasise enough the impact that daily reading has on a child's reading development. It may seem like a tough task to begin with but it really does pay off.</p>

This half term out focus will be: **Personal, Social and Emotional Development: Self-confidence and self-awareness**

To help us learn about your child and their interests could we ask you to share photos and a few sentences about their achievements out of school on seesaw.

E.g. If they have a particular hobby and have achieved an award/certificate in or if your child completes or makes anything they are particularly proud of etc. It would be appreciated if you could email photographs and comments too. Thank you.

If you would like to email them please use the admin address and put FAO Mrs Ashcroft – admin@middlestown.accordmat.org
