

# Class Newsletter: Year 1

## Autumn 1

### Please remember:

	Monday	Tuesday	Wednesday	Thursday	Friday
Reading book	✓	✓	✓	✓	✓
PE kit	✓	✓	✓	✓	✓
Homework					✓ (Ensure Completed and new task uploaded)
Spelling test	✓ (Uploaded)				✓ (Tested)

## Topic: Wonderful Weather!

### Subjects I will cover in this topic:

History	Geography	Art	DT	Music	RE	ICT
Reading	Writing	Maths	SEAL	Science	British Values	PE

### Things I will learn during this topic:

- As a Geographer and Scientist I will be able to:
- Order the months of the year and recognise the different seasons.
  - Recognise the differences between the seasons.
  - Describe the features of different weathers.
  - Discuss how the length of a day varies from season to season.
  - Identify how different aspects of the weather affect my local environment.
  - Identify the types of clothing worn in different weathers.
  - Use measuring devices to record the weather.
  - How weather can affect different jobs.

### Books I will be reading:

Froggy Day  
 Leaf Man  
 The Tiger who came to Tea  
 The Wind Blew  
 Elmer in the Wind  
 The Girl who cried Wolf  
 Pirates Love Underpants  
 Storm  
 Tree  
 Ruby's Worry  
 Little Cloud  
 Rosie's Hat  
 Blow Your Nose Big Bad Wolf

### Key facts I will need to know:

- The months of the year are: January, February, March, April, May, June, July, August, September, October, November, December.
- The days are longer in the Summer and shorter in the Winter.
- In the UK, there are four different seasons. Each season has different weather types.
- The weather starts to get colder in Autumn. Leaves change colour and fall off the trees.
- Winter is cold, wet and windy. It snows in some areas and gets dark early.
- Spring brings warmer weather. Flowers start to grow and baby lambs are born.
- In Summer, the weather becomes hotter; there is often less rain, but there may be thunderstorms.

Topic specific vocabulary I will use and learn the meaning of during this topic:

Antarctica	Arctic
Earth	Inside
Middletown	Outside
Rain	Polar
Season	Rain gauge
Snow	Forecast
Sunshine
