6th November 2020

Dear Parents/ Carers,

Covid 19 Update for Parents

Within the last 24 hours the academy has been notified that a member of the Year 6 class bubble has tested positive for Covid-19. However, this class member hasn't been in the academy since Friday 23rd October and so in line with guidance and our planned response, the academy has sought advice from Public Health/ Health Protection Team and I can confirm that there are no actions required in respect of any other pupils.

The academy continues to operate in line with its published risk assessment this is available on the academy website using the following link:

<https://middlestown.accordmat.org/wp-content/uploads/sites/4/2020/10/Re-opening-Risk-Assessment-MPA-Version-5.pdf>

I am not able to provide any further details and ask all parents/ carers to respect the confidential and sensitive nature of the situation and thank you for your continued support in this respect.

Yours Sincerely,

Mrs Hannah Young
Head of Academy
